IT COME TO LIFE.

You are **One Step** closer to getting to know us! ▶

Over the decades, we have taken it as a challenge to ensure our clients have a seamless experience with the best printing service.

Our journey in the industry has equipped us with the strength & knowledge to take up new projects with each passing day. Great customer service is our mission.

Print is a powerful and versatile medium that can help you communicate your message in a way that is tangible and memorable.

Mr. Viraj Ravaria and his team believe the same and have worked endlessly on evolving the company & keeping print alive with passion.

They did it with

- Best Quality In Print & Finishing
- Quick Turnaround Time
- Professional Support
- Fair Pricing
- Design Assistance

The customer can vest complete authority on the various aspects of the job undertaken at One Step Print. Keeping our customer's requirements in sight, be it their budget, logistic issues, or execution of custom-made items, we accordingly offer them tailor-made print.

Our Mission : We dream & wish to empower businesses and individuals by providing them with exceptional print solutions.

PILLARS THAT GROW TALL & STRONG EVERY DAY

- Turning vision to reality
- Commitment to quality
- Innovation
- Outstanding customer service
- Convey messages effectively
- Drive success
- Hard-work
- Maintains transparency

Why choose us? ▶

One Step Print should be your go-to printing partner for all your needs!

Our professional team provides expert guidance throughout the printing process, ensuring that your projects are executed with precision and excellence.

With us, you'll find a one-stop solution for all your printing requirements, saving you time and effort. We also provide free design assistance, tailoring our services to meet your specific requirements. Moreover, our pricing is reasonable and competitive, ensuring that you receive the best value for your investment.

We understand the importance of accuracy, which is why we offer samples or mock-ups for proofreading, guaranteeing your satisfaction with the final product.

With our industry expertise and a team of skilled business development managers, we are always available for prompt meetings to discuss your printing needs. We believe in lifelong learning and constantly adopt new technologies to deliver cutting-edge solutions. Above all, we prioritise customer understanding and support, ensuring that your experience with us is smooth, efficient, and personalised.

Choose One Step Print for all your printing needs, and let us exceed your expectations with our unparalleled services.

Core Purpose ▶

Digital Printing ▶

The laser base Digital printing technology by Konica Minolta & Cannon comes equipped with the following features:

- Ideal for short run digital printing jobs
- Cost effective printing for short run
- Print size up to 13" x 40"

The Indigo Printing Technology by HP comes equipped with the following features:

- Ideal for short run digital printing jobs
- Achieves printing quality comparable to offset
- 7 colour Ink stations (C, M, Y, K, Lm, Lc, W, cl.)
- Creates true spot colours

The Indigo Printing Machine can be used for printing on a wide variety of media such as :

Textured and Non Textured Paper, Corrugation Boxes up to 350 gsm

Efficiency parameters of the Indigo Printing Machine:

- Can print 160 pages per minute for most image-rich colour jobs, significantly
- Most nearest result for proofing compared to offset
- Inks are matt unlike other laser base digital short run machines
- Can print up to 300 DPI

The Indigo & Laser Digital Printing Machine is ideal for printing:

Short run job that needs high-impact text, graphics and colour printing of commercial printing, dummy and prototype of packaging.

Offset Printing

One Step closer to the Best Quality! ▶

At One Step Print, we place a strong emphasis on maintaining a robust quality management system to ensure the highest standards in all our printing processes.

We are committed to delivering exceptional print products that meet and exceed customer expectations. Our quality management system encompasses every aspect of our operations, from the selection of top-quality materials to the utilisation of advanced printing technology and meticulous attention to detail. We have implemented strict quality control measures at every stage, including pre-press, printing, finishing, and packaging.

Our dedicated quality assurance team conducts thorough inspections and tests to ensure that each print product meets our stringent quality standards. By adhering to our quality management system, we strive for excellence in all aspects of our work, providing our clients with the confidence that their print projects will be executed to perfection.

Our reliable partners ▶

We at One Step Print have nurtured long-standing associations with leading industry bodies, technology providers, and material suppliers to help bring to our clients superior quality print and unmatched service.

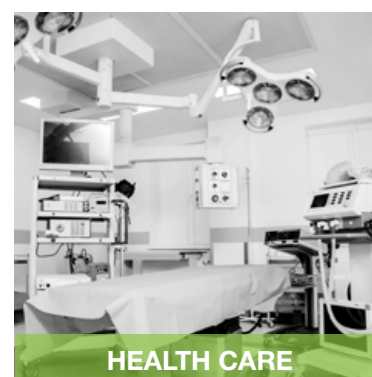

Here are the partners who make printing easy for us and presentable for you!

Versatile industry solutions ▶

There are many printing service providers that cater to various industries, offering a wide range of printing solutions to meet the specific needs of their clients.

When seeking a printing service provider for a specific industry, it's important to look for a company with experience and expertise in that field. They should be able to provide the type of printing services, materials, and customization needed for that industry's unique requirements. Additionally, consider factors such as quality, turnaround time, pricing, and sustainability practices when selecting a printing partner.
